"It is the education which is right weapon to cut the social slavery and it is the education which will enlighten the downtrodden masses to come up and gain social status, economic betterment and political freedom''

-Bharat Ratna Dr. B.R. Ambedkar

BABASAHEB BHIMRAO AMBEDKAR UNIVERSITY

Babasaheb Bhimrao Ambedkar University was established by an act passed by the parliament (No. 58 of 1994). The University came into existence on 10.01.1996 vide GOI, Ministry of HRD, Education Department Notification No. 8-16/GOI/desk/U-1 dated 05.01.1996. The basic philosophy and policies of the University are spelt out and enshrined in the University Act and Statutes. The University offers graduate and post-graduate students the knowledge and skills needed to succeed as persons and professionals, and the values and sensitivity necessary to serve the society. The University distinguishes itself as a socially responsible learning community of high quality scholarship and academic rigor sustained by social justice and equity principles for which Babasaheb Bhimrao Ambedkar worked during his lifetime. The University draws from the cultural, intellectual and economic resources of Uttar Pradesh and other states to enrich and strengthen its educational programs.

The University is preparing students from rural mainland of Uttar Pradesh in particular, and all parts of India in general, often coming from marginalized sections for leadership in a complex world.

It offers the kind of education needed through various inclusive, society-oriented programs for transforming our country in the disciplines of Humanities and Sciences, Engineering, Agriculture, Biotechnology, Business, Law, Education and Environmental Sciences – through a breadth of highly regarded degree programs that allow students the freedom to explore their intellectual and personal growth. The faculty members at our University accept their responsibilities conscientiously, share leadership in a democratic spirit, and maintain subject to the highest standards of public trust. University offers 99courses that include Diploma/integrated PG Programmes/UG/PG and Ph.D. at its main campus and satellite centre at Amethi.

The University strives to fulfill the objectives of its inception. University provides 50 percent seats of all the courses reserved for the students of Schedule Caste and Schedule Tribes. Now with the government directives, University also offers 10 percent seats reserved for the Economically Weaker Section. The University also provides fee exemption for the students of the Schedule Caste and Schedule Tribes in regular courses. University also provides financial assistance to the Schedule Caste and Schedule Tribe students for their dissertation and thesis preparation. University also has a satellite centre at Amethi, started in the year of 2016. The University has a fully air conditioned and well-furnished Central Library namely Gautam Buddha Library having more than 50 thousand books and 10 thousand online journals along with departmental libraries in the respective departments to cater to the demand of the students pursuing studies in the University. The University has one health centre with availability of doctors round the clock. For overall development of the Students University has a Centre for Personality Development with Residential Coaching Programme (RCP) and Remedial Coaching Centre (RCA). The University has a Student activity centre which is likely to be functional.

Objectives of the University:-

- To promote learning and provide instructional and research facilities of standard quality in higher education.
- To make provision for integrated courses in Science, Technology, Medical Sciences, Agriculture Sciences, Social Sciences, Legal Studies, Management, Humanities and allied areas and research in frontier areas of knowledge.
- To take appropriate measures for promoting innovations in teaching-learning process in inter-disciplinary studies and research in the educational programmes of the University.
- To offer appropriate courses and pay special attention for the development of socially, educationally and economically marginalized sections of the people in general and of members belonging to the Scheduled Caste and Scheduled Tribes in particular.
- To promote the study of the principles for which Babasaheb Bhimrao Ambedkar worked during his lifetime, namely, national integration, social justice and democratic way of life and also study of the Constitution of the World.

Vision of the University-

The Vision of the University is "To be a dynamic, creative and competitive Centre of Excellence in advanced knowledge, especially relevant for the development of the nation and of the socially, educationally and economically marginalized sections of the people".

In the coming years, BBAU will be taking up a range of other activities designed to further preserve our environment; provide learning experiences surpassing cultured linguistic and geographical boundaries making our socially and ethically responsible global citizens. The University has designed a roadmap to achieve excellence, in making learner centre education through collaboration, rigorous training promising employability for our graduates. The strategic initiatives of the University include major focus on emerging global educational trends and creation of knowledge base society to face the unforeseen challenges of tomorrow's world. The University also plans to own a radio station for the dissemination of community oriented information, education and knowledge.

New initiatives undertaken by the University are towards improving infrastructure, campus development, welfare of the faculties and students, empowerment of women and weaker sections, creation of sports, health and other facilities, establishing new hostels for students, initiating innovation in academic and extra-curricular activities. The University is making serious efforts to attract the students from other countries. In this direction, an International student centre has been created which will work exclusively for the international students and their hassle free admission. An office of Dean R&D has been established to promote collaborations, consultancy services based on principles of public private partnership. These endeavors of University are surely going to earn laurels for the University.

Mission of the University-

- To promote advanced knowledge by providing instructional and research facilities in such branches of learning as it may deem fit.
- To make provisions for integrated courses in science and key frontier areas of technology and other allied disciplines in the educational programmes of the University.
- To offer appropriate courses relevant for the development of socially and economically depressed sections of the people including agricultural technology and rural crafts.
- To promote the study of the principles for which Dr. Babasaheb Bhimrao Ambedkar stood and worked during his life time, namely, national integration, social justice and democratic way of life.
- To promote the study of the constitution of the world and to take appropriate measures for promoting innovations in teaching learning processes in inter-disciplinary studies and research.
- To pay special attention for the promotion of educational and economic interest and welfare of the people in general and of members belonging to Schedule Caste and Schedule Tribe in particular by providing an adequate percentage of seats for them in admission.

MESSAGE FROM THE VICE-CHANCELLOR

Dear Prospective Ph.D. Scholars,

It is a privilege to welcome you to Babasaheb Bhimrao Ambedkar University as you explore the opportunity to join our esteemed Ph.D. program. Our university has recently earned the prestigious NAAC A++ accreditation, the highest distinction in higher education, and our NIRF ranking continues to rise steadily each year. These accolades reflect our unwavering commitment to academic excellence, cutting-edge research, and holistic development. Our faculty's research is highly cited globally, further underscoring the significant contributions they make to their respective fields. Byjoining us, you will become part of a vibrant academic community that fosters innovation, interdisciplinary collaboration, and impactful societal contributions. The National Education Policy (NEP) 2020 brings about a transformation in higher education in India, focusing on research, innovation, and the development of critical thinking. Our Ph.D. program has been aligned with this vision, offering a flexible and interdisciplinary curriculum that encourages scholars to push the boundaries of knowledge. The NEP 2020 prioritizes the integration of emerging technologies and the application of research to real-world challenges, and we have incorporated these principles into every aspect of our doctoral program.

As a Ph.D. scholar at Babasaheb Bhimrao Ambedkar University, you will have the opportunity to be mentored by our distinguished faculty, who are renowned experts in their respective fields. These dedicated mentors will support and guide you throughout your research journey, helping you not only gain advanced knowledge but also develop innovative solutions to address pressing societal challenges. The faculty's strong commitment to research is evident through their numerous publications, patents, and impactful projects, which have significantly enhanced our university's reputation both nationally and internationally. In terms of resources, our university offers state-of-the-art research facilities, fully equipped laboratories, and access to vast academic resources, including specialized libraries and international research databases. This infrastructure has been continuously upgraded to support cutting-edge research, enabling our scholars to pursue their research goals with the best tools at their disposal. The increasing NIRF rankings further underscore our dedication to maintaining and improving our academic standards and research output.

A key principle of the NEP 2020, which we fully embrace, is the focus on ethical and socially relevant research. Our Ph.D. program encourages scholars to not only excel in their chosen disciplines but also to consider the broader societal and ethical implications of their work. Whether addressing critical global challenges such as climate change, public health, or social justice, we are committed to ensuring that our research creates a positive and lasting impact on society.

With our NAAC A++ accreditation and consistently improving NIRF ranking, Babasaheb Bhimrao Ambedkar University is setting new standards in research and education. In the year 2024 the University has achieved 33rd NIRF rank. We are dedicated to cultivating an academic environment that promotes creativity, collaboration, and innovation. Here, you will find ample opportunities to not only advance your academic career but also make significant contributions to society through your research and scholarly pursuits.

I warmly invite you to join our legacy of excellence as we push the boundaries of knowledge and work toward building a better future. Our university is fully prepared to support you in your pursuit of intellectual growth and societal impact. I am confident that your research will make a valuable contribution to the distinguished legacy of our institution.

I look forward to welcoming you to our university and wish you success in your academic and research endeavors.

With warm regards,
[Professor Raj Kumar Mittal]

Most buildings in the University such as administrative blocks, departments, hostels, and some residential quarters in the campus are fully equipped with LAN facility. The state of the art Wi-Fi connectivity across the campus provides high-speed internet.

LIBRARY

The Gautam Buddha Central library is housed in a huge library building and fulfils its objective to supplement educational and information needs of the faculty and students through its books and periodical sections having adequate reading rooms, journals and video library. It is equipped

to facilitate visually handicapped students as well. The library services are also extended to non-teaching staff and visitors. It has adequate collection to satisfy the information need of the user.

GUEST HOUSE

The Guest House of the University is located within the University campus and is providing round the clock boarding and lodging services to Guests. Guest House rooms are allotted to University Guests free of cost and to other State or Central Govt. organizations, Universities, Public Sector Undertakings on request, subject to availability, on payment. However, first priority is given to the University activities.

MESS /CANTEEN

Mess facility is available in the University in all the hostels. A Canteen is also running in the campus during working days which is open for all.

UNIVERSITY PLACEMENT CELL (UPC)

Since its inception, the cell is helping the students placement in various organizations across India and abroad. The UPC is dedicated to support the students in their pursuit to get jobs in reputed organizations in India and abroad. Placement Cell also regularly organizes specialized lectures, workshops and job fairs to provide students a platform to showcase their talents.

SC/ST CELL

The staff of the cell is actively engaged in coordinating and solving the problems in the matter of admissions in the University, utilization and timely disbursement of scholarships, accommodation in hostels, conduct of remedial coaching, UGC-NET coaching, competitive exam coaching and other measures with a view to see that the education system succeeds in bringing the Schedule Castes and Scheduled Tribes to a level quantitatively as well as qualitatively at par with the rest of the society. The Cell is also instrumental in monitoring the implementation of rule of reservation for SC/ST in admissions and appointments in teaching as well as non-teaching posts. Further a Gold Medal also is awarded to topper among the SC/ST students.

COACHING CENTRE FOR SC/ST/MINORITIES

The University offers the following programmes for the development of SC/ST and Minority students.

1. **UGC Remedial Coaching Programme (RCP):** Under RCP, additional coaching is provided to the students who face difficulties in learning the

subjects concerned and English language. In addition, it conducts classes for personality development.

2. **Residential Coaching Academy:** This Programme offers special coaching for Civil Services (IAS/IPS/IFS), State Services, SSC, RRB and other competitive examinations which are being conducted by the Central and State Governments.

SPORTS

A healthy person keeps a healthy and active mind and sports are the best mechanism to accomplish that objective. The University, being sensitive for the overall development of students, realizes that a balance in physical, mental and emotional growth is essential for the complete development of personality.

At present, the University has a multipurpose sports ground in the campus having facilities for sports like football, volleyball, cricket, athletics etc. In addition, there is an indoor Gymnasium equipped with all modern facilities for physical training. Indoor games like Badminton, Table Tennis, Chess, and Carom facilities are available. All the games, indoor and outdoor, are facilitated by experts and trainers. University is sure that these facilities would instill in students a sense of confidence besides physical fitness. It would help them in becoming a complete human being so that they can withstand the challenges of life.

UNIVERSITY SCIENCE INSTRUMENTATION CENTRE (USIC)

As per the UGC's mandate, University has established University Sophisticated Instruments Centre (USIC) as central facility. In fact, the creation of such a center is obligatory for every university for the reason that the modern day science demands the use of precision equipments for the acceptability of data. Such centres help stop duplication of sophisticated equipment's, which cost huge amounts and in turn help in regulating the use of the sanctioned money in the most judicious way. This is housed on the ground floor of the School for Environmental Sciences building. USIC has five precision equipments:

1. Scanning Electron Microscope, (SEM, Model JSM-6490 LV of JEOL, and Japan) with EDX facility viz., Critical PointDryer and Ion Sputter Coater;
2. Fourier Transform Infrared Spectrometer with ATR - Attenuated Total Reflectance (FT-IR Spectrometer, Model Nicolet TM 6700 OF Thermo Scientific, USA);
3. Fast Performance Liquid Chromatography (FPLC, Model EKTA 10 of GE Healthcare Bioscience. Sweden).
4. X-ray Diffractometer (XRD, Model: D8 Advance Eco, Bruker, Singapore)
5. Inverted Laser Scanning Confocal Microscope from Carl Zeiss India (Bangalore) Pvt. Ltd.
6. Preparatory HPLC from Spinco Biotech Pvt. Ltd

WOMEN CELL AND DAY CARE CENTRE

The University is doing a lot of work towards gender equality. As a path breaking decision, a provision of gender budgeting has been made on BBAU financial road map. Gender budgeting basically means that a part of the budget will be set aside for gender specific activities.

The University has basic facilities for the women employees and girl students including a day care center in the campus.

NATIONAL CADET CORPS (NCC) AND NATIONAL SERVICES SCHEME (NSS)

Training in NCC instills qualities like nationalism, patriotism, discipline, team spirit, spirit-de-corps, leadership and self-confidence and promotes overall personality development. NCC gives a tremendous opportunity to one and all for betterment, irrespective of caste, creed, religion or economic status. Based on the aims of NCC, the syllabi for the Senior Wing/Division cadets cover a period of three years.

Similarly, to develop a sense of social and civic responsibility among the students, BBAU NSS wing was started with following objectives:

1. To make understand the community in which they work,
2. To understand themselves in relation to their community,
3. To identify the needs and problems of the community and involve them in problem-solving.
