NOTICE

Article Publishing Charges / Article Processing Charges (APC) are one of the components of the ONOS (One Nation One Subscription) scheme. APCs for selected high-quality open-access journals are centrally funded through INFLIBNET (the executing agency) for ONOS. Top-quality Gold Open Access journals are selected based on criteria defined by the Core Committee, ONOS, which are updated from time to time. The current criteria include Gold Open Access journals listed in the **top 10% of journals (i.e., 946 journals)** as per any of the three indicators (CiteScore, SNIP, and SJR) from publishers providing access to their journals under ONOS.

For the effective utilisation of **APC support from INFLIBNET at BBAU**, the Library Committee (LC), in its 61st meeting held on 30/10/2026, recommended and the competent authority subsequently approved that the INFLIBNET APC support (https://www.onos.gov.in/apc-support) be utilised by the faculty members and research scholars of BBAU for publishing research articles in quality journals. In this regard, the **APC Guidelines** are available online at https://www.onos.gov.in/docs/APC-Guidelines-V1.pdf.

Therefore, all Heads of Departments, faculty members, and research scholars are requested to utilise the INFLIBNET APC support for publishing research articles in top 10% listed journals at https://www.onos.gov.in/APCTitles. In case any support or clarification is required regarding the APC scheme, please contact the Librarian or Assistant Librarian
