About the Babasaheb Bhimrao Ambedkar Central University

The Babasaheb Bhimrao Ambedkar University (A Central University) Lucknow, (NAAC Accredited “A” Grade) is one of the premier Central Universities in the country established on 10th January 1996 to promote advanced knowledge offering master courses and research, which is now extended to UG courses also. Presently the University is offering 22 courses in various disciplines and number of courses is in row. Its 250 acres campus located of the Raebareli road about 10 k.m. south of Charbagh Railway Station of Lucknow. The University is a residential University and is committed to develop as a centre for excellence in the field of higher education. The University offers appropriate courses relevant for the development of socially and educationally depressed section of the people, including agricultural technology and rural crafts; to promote the study of the principles for which Babasaheb Bhimrao Ambedkar worked during his lifetime, to pay special attention to the promotion of educational and economic interests and welfare of the people in general and members belonging to the SC/ST in particular.

About Lucknow

Lucknow, the city situated on the banks of the river Gomti popularly known as the city of the Nawabs and Nawabi culture worldwide. It is also known as the Golden City of the East, Shiraz-i-Hind and the Constantinople of India. Lucknow is a beautiful city and famous for its historical monuments which were built during the ancient times and still retains its old world charm. Lucknow is also famous for its traditional cuisine, fine arts and the most courteous people you will ever find in India. It is the capital city of Uttar Pradesh and stands out as a city that takes pride in the endearing.

About Department

Department of Human Rights conducts post-graduate teaching and research programmes in the areas relating to Human Rights and Law and aims at recommending appropriate measures for enforcing human rights and securing ends of justice through legal and democratic processes. Presently, the department is running Ph.D., LL.M. in Human Rights and BBA LLB (Honors) courses to undertake study of the constitutional, legal, socio-economic and political dynamics of human rights and governance issues in India and the world. The Department aims to recommend remedies to alleviate human rights violations through legal and democratic processes, to create lawyers professionally competent, technically sound and

socially relevant. The academic programmes of department are designed to analyse the theoretical, empirical and clinical issues concerning law, governance and human rights.

About Faculty Development Programme (FDP)

FDP aims at enhancing research and teaching capabilities of educators and academicians. This FDP is a 3-week programme, specially designed for faculty members and Research Scholars of all disciplines. The programme enables the participants to develop competence in understanding recent advances in research Methodology, to learn to improve pedagogies and to better presentation skill to become an effective faculty of their respective disciplines. The Faculty Development Programme (FDP) intends to facilitate up-gradation of knowledge, skill and intends to provide opportunities for induction training to teachers employed in various disciplines. It would also cover areas such as technical education policy, new concepts, methods and techniques, educational technology, motivation, communication skills, management and other relevant issues to keep pace with the changing scenario in education. The scheme is designed to enhance the teaching and other skills of the faculty and to make them aware about modern teaching tools and methodologies. It provides an opportunity to acquire knowledge about current technological developments in relevant fields. It will not only promote the professional practices relevant to technical education but also motivates the faculty to achieve competitive teaching and learning environment, thus channelizing development with respect to academic qualifications and administrative skills.

Objectives of the FDP

- Enhance teaching, communication and other skills
- Make them aware about modern teaching tools and methodologies
- Acquire knowledge about current academic and technological developments in relevant fields.
- Impart professional practices relevant to technical education
- Achieve competitive teaching and learning environment
- Channelize development with respect to academic qualifications and administrative skills

Enables the participants to develop competence in understanding recent advances in research Methodology
