**Date: March 30, 2017**  
**Venue: SES Conference  
Hall, BBAU, Lucknow**

## About University

Babasaheb Bhimrao Ambedkar University was established in Lucknow in 1996 as Central University (By an Act of Parliament 1994) with the objects of promoting advance knowledge by instructional and research facilities in science, key and frontier areas of technology and other allied disciplines. This is the Post-Graduate and research University & main objective of this University is to promote professional studies, Inter-disciplinary studies research and development activities. These objectives have started its academic programmes which have employment potential and relevant for the development of Indian Society. At present, eight functional Schools are comprising of twenty departments which offer various courses.

## About the Department

The Department of Library and Information Science is functioning in the University since 1997 with the aim to provide up-to-date LIS education to the students through effective teaching and practical training. The department is working with the vision to educate individuals for career as Librarians, Information Professionals, Archivists, Information Scientist and Knowledge Managers. The students are trained in order to undertake instruction, research

and service oriented programmes that require current emerging information technological developments and market requirements. The DLIS is offering Bachelor and Master of Library and Information Science (MLIS), MPhil. Ph.D. Programmes.
