

One Week Workshop
On
Emerging Research Trends in
Computer Science
(ERTCS-2017)
(20th March, 2017 to 24th March, 2017)

Registration Form

Full Name: _____

Designation: _____

Institution/Organization: _____

Qualification: _____

Mailing Address: _____

Contact No.: _____

Email: _____

*Accommodation Required: Yes/No

PAYMENT DETAILS:

Registration Fee : _____

Accommodation Fee : _____

(Fees are acceptable in cash only)

Signature of Applicant

Note: Scanned copy of filled registration form should be sent on email id:
ertes2017.bbau@gmail.com

Original copy will be required at the time of registration of work shop

* Subject to availability on Paid Basis

CHIEF PATRON

Prof. R. C. Sobti,
Honourable Vice Chancellor
BBAU, Lucknow

WORKSHOP DIRECTOR

Prof. Sanjay Kr. Dwivedi, Head, DCS
BBAU, Lucknow

COORDINATORS

Dr. Deepa Raj, DCS, BBAU, Lucknow
Dr. Manoj Kumar, DCS, BBAU, Lucknow
Dr. Narander Kumar, DCS, BBAU, Lucknow
Dr. Shalini Chandra, DCS, BBAU, Lucknow

ADVISORY COMMITTEE

Prof. Vipin Saxena, Dean, SIST, BBAU,
Lucknow
Prof. K.L. Mahawar, Head, DLIS, BBAU,
Lucknow
Prof. B.S. Bhadauria, Head, DAM, BBAU,
Lucknow
Prof. Raees Ahmad Khan, Head, DIT, BBAU,
Lucknow
Prof. Govind Ji Pandey, Mass Com, BBAU,
Lucknow
Dr. Surinder Kumar, Head, DAS, BBAU,
Lucknow
Dr. M.P. Singh, Head, DLIS, BBAU,
Lucknow

Babasaheb Bhimrao Ambedkar
University (A Central University)

Accredited 'A' Grade by NAAC

One Week Workshop
On
Emerging Research Trends in
Computer Science
(ERTCS-2017)
(20th March, 2017 to 24th March, 2017)

About the University

Babasaheb Bhimrao Ambedkar University was established in Lucknow in 1996 as Central University with the objects of promoting advance knowledge by instructional and research facilities in science, key and frontier areas of technology and other allied disciplines. This University is the Undergraduate, Post Graduate and Research promoting University. The main objective of this University is to promote professional studies, inter-disciplinary studies and research & development activities. With above objectives, the University has started its academic programs which have employment potential and relevant for the development of Indian society. At present, University has ten functional Schools comprising of more than forty functional Departments.

About the Department

Department of Computer Science is functioning in the University since 1997 with main objective to providing the up-to-date knowledge of the core field of computer science to the students through effective teaching programs thereby enabling students to enhance their knowledge and get employed in leading corporate and IT sectors to serve the country to bridge the digital divide.

About the Workshop

Today research in computer science is bringing a digital revolution in society which support to make it faster and is carrying forward towards making the dream true to make digital India. With this objective, Department of computer science is organizing **One Week Workshop on Emerging Research Trends in Computer Science**. This workshop will focus on major research trends in computer science including Research Methodologies, Advances in Graphics, Networking, Image Processing & Computer Vision, and Artificial Intelligence. It will provide a platform to learn entry level research methodologies and related software / tools like Matlab, NS-2, SPSS, NLP and Latex to perform efficient computations in various research areas of computer science and analyze the information from data. This workshop will consolidate emerging trends in research and major research tools and technologies in computer science.

This program will explore the new possibilities of computation in various areas of computer science. We hope that the workshop will be beneficial for researchers and students to carry forward their research work more effectively and efficiently. This workshop intends to cover following areas of research in computer science:

- Research Methodology
- Advances in Graphics
- Image Processing & Computer Vision
- Artificial Intelligence
- Networking
- Latex
- Matlab
- NS-2
- SPSS
- NLP

How to Register

- Registration Fee is Rs. 1000/- only.
- Registration will be based on first come basis.
- Registration will be confirmed only after receiving registration fee on or before 20th March 2017 till 10.00 am.
- Payment mode of registration fee will be cash only.
- Spot registration is available subject to availability of seats.
