Agenda item No. 5-

Reservation in Ph.D. Admission against relaxation in marks.

With the permission of the Chair, Liaison Officer raised the agenda. He informed that as per the University Grants Commission (UGC) Gazette Notification No. 325, Extraordinary Part-III, Section-4 dated 27.08.2018 (first amendment in 2018), "50% of total marks in the entrance examination would be basis to qualify for the interview. Further, a relaxation of 5% marks (from 50% to 45%) shall be allowed for the candidates belonging to SC/ST/OBC (Non-creamy layers)/ differently-abled category in their respective category in the entrance examination conducted by the University."

However, such relaxation is extended to the OBC student in our University for admission against the seats advertised under Unreserved category but the students of SC/ST category availing the benefits of such relaxation only in their respective reserved seats. Therefore, the same may be extended to the students belongs to the SC/ST category. The SC/ST student may also be considered for the admission on Unreserved (UR) seats after giving 5% marks relaxation.

Resolution

Committee resolved that the matter should be placed before Academic Council, as it pertains with the seats related to unreserved category also. Therefore, committee recommended that Dean, Academic Affairs may prepare the agenda for this and place the same in the forthcoming Academic Council.

Agenda item No. 6-

* my comments may be noted for further action.

(1) The meeting was held on 12th July, 22 but minute is prepared and sent for signature after more than 4 months latter. Why so? The OBC advisory committee meeting was held latter and minute was finalised earlier/quickly linking with SC/ST advisory committee. This is taken seriously may be taken care of.

(2) The point at 'A' at Page - 4/5 seems contraverse and needs further enquiry to know the exact truth. as it happening in all departments? proper enquiry may be done. The Resolution also of Agenda no. 5 also indicate vindictive without proper assessment.
