The journal accepts articles published by e-mail only. The soft copy of the paper may be submitted to nmpverma@gmail.com. When a manuscript is submitted through e-mail, a submission acknowledgement letter would be sent automatically by online system. The editorial assistant also sends an e-mail confirmation to the author/s within one to three working days. In case, the confirmation is not received, the author may check bulk e-mail box or contact the editorial assistants.

b) Basic Review

The editor determines whether the manuscript fits the journal’s focus and scope. Next a check for the similarity rate is done using Cross check, powered by ‘iThenticate’. Any manuscripts out of the journal’s scope or containing plagiarism, including self-plagiarism, will be rejected. It is also cross checked by editors.

The submitted manuscript will be reviewed by at least two experts: one editorial staff member as well as one to three external reviewers. The review process may take one to two months. The decision to accept or reject an article is based on the suggestions of reviewers. If differences of opinion occur between reviewers, the editor-in-chief will weigh all comments and arrive at a balanced decision based on all comments, or a second round of peer review may be
initiated. The result of review will be sent to the corresponding author and forwarded to other authors.
