Agenda Item No. 2: Discussion on discrepancies in DVV for 2nd cycle of NAAC Accreditation.

Discussion:

Dy. Director, IQAC narrated the process of Assessment and Accreditation by the University in detail. NAAC raised some

queries in the month of March 2021 after submission of SSR for 2nd Cycle NAAC Accreditation on 16.02.2021 and thereafter, the University had also submitted the DVV queries raised by NAAC on 18.03.2021 through its portal along with links to access the files uploaded on the University website, during the peak period of second wave of Covid-19 pandemic. After submission of DVV, the University raised tickets against few points which were not taken into consideration by NAAC during DVV process in the month of March 2021 itself (26.03.2021, 31.03.2021 & 01.04.2021).

Subsequently, the University has found 15 discrepancies in DVV process, thereafter, the University submitted clarifications regarding various discrepancies observed in DVV process for rectifications by raising tickets on Support/Helpdesk of NAAC portal. However the NAAC office has not considered our request for rectification of various points.

Again, the University has requested the Director, NAAC, vide Letter No. 2297/VCS/21 dated 14.10.2021 to rectify the 15 discrepancies found in the DVV process along with all relevant annexures. But instead of rectifying the discrepancies raised by the University, the Director, NAAC has conveyed their decision vide email dated 26.10.2021, only to extend the period of NAAC Peer Team visit during the month December 20-22, 2021.

The members were of the opinion to withdraw the application with a request to adjust the deposited fee submitted by the University for Assessment & Accreditation (A&A). The pros and cons of withdrawal and re-submission was discussed in detail in light of NAAC manuals.

Resolution:

In the light of the above discussion, it was resolved to withdraw the application for 2nd cycle Assessment & Accreditation (A&A).
