

Most Urgent
No. 672/VCS/18
Dt.: 07.08.2018

It has come to my notice that certain Heads of Departments have made admissions by not following rules & regulations/without obtaining permission from Competent Authority/may be to oblige officials, which is totally wrong.

It will be the responsibility of the Heads of Departments to see that nothing such happens and CoE has to verify the facts before declaring the results.
