Dated: 12th of November 2018

To,
Dr. G. Sunil Babu
Babasaheb Bhimrao Ambedkar University, Lucknow

Sub: Letter to seek permission for arranging a Seminar/Presentation on Merck Life Sciences, Capabilities around Multiplexing, Single Molecule Counting and other Innovative Technologies (Proteomics/Cell Counting) on 19th Nov (Monday) at 11:30 AM

Dear Sir,

As you know that Sigma Aldrich, part of Merck now has combined capabilities for our Valuable customers in research and Industries. Further we have updated our capabilities in terms of custom products, Functional Genomics, Multiplexing and Single Molecule Counting.

We would like to arrange a 45 min Presentation/Talk (Biosciences Division) on **19th Nov 2018 from 11:30 AM**. We would also like to provide marketing offers on the same day for various products which are relevant to the research work being carried out at Babasaheb Bhimrao Ambedkar University, Lucknow.

Topic of the Talk would be 'Current Bio capabilities and Innovative Technologies at Merck Life Sciences' from 11.30 AM to 12.15 PM.

We would also be doing Wet Lab Demonstration for SNAP ID (Immunodetection Platform for Western and Scepter 2.0 for Automated Cell Counting). Prerequisites for the same will be communicated after confirmation.

We request you kindly give us permission for the same so that we can arrange the same. We sincerely feel that this will add value and help in getting all the information at one platform regarding Sigma Aldrich, part of Merck.

We look forward for your kind confirmation on the same.

Thanking You

Abhishek Mishra
Area Sales Manager
Merck Life Sciences, Lucknow

For permission req. lecture on 19/11/18 and poster blot demo
