Respected Sir/Madam,

Greetings from Teaching Learning Centre (TLC), IIT (BHU), Varanasi.

TLC, IIT (BHU), is organizing a fully residential Induction Training Programme of four weeks for Faculty members in Universities/Colleges/Institutes of Higher Education during the period, 10th December, 2018 – 09th January, 2019, under the aegis of Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNMTT) Scheme by the MHRD, Govt. of India.

The Group of Secretaries on Education and Social Development has recommended this compulsory Induction Training for freshly inducted faculty-members in Universities/Colleges/Institutes with a view to improving the quality of education (attached D.O. No. 1-9/2017-PN-II, dated 8th August, 2017 from the Joint Secretary, MHRD). The Induction Training Programme for freshly inducted Faculty and Academic Staff in Central and State Universities, Centrally Funded Technical Institutions, and Degree and PG Degree colleges will familiarize them with the challenges and prospects of the evolving ecosystems in higher education.

As per recent UGC Regulations, **Induction Programmes under PMMMNMTT are equivalent to Orientation Programmes of UGC** for Career Advancement Scheme (CAS) requirements. (ref. to The Gazette of India Regd. No. D.L.-33004/99 Part III Sec. 4). Regular teachers from Colleges/Universities participating in various training programmes conducted by the centres of PMMMNMTT including the one-month mandatory Induction Programme may be treated as "ON DUTY".

In this connection, you are requested to **kindly circulate** this information to all faculty-members & all the related affiliated Colleges of your University so that the newly inducted faculty-members may avail themselves of this opportunity to enhance their academic leadership skills. The potential participants are requested to register through the link given below by 20th November, 2018.

Additional details are mentioned in the attached brochure of the programme. We look forward to your kind support and cooperation. Please feel free to contact us about any issues related to the programme.

We also thank you for your time and attention to this matter.

With best regards,

Prof. P. Shukla
