ELITE Application Invite

Bejobbed Campus <campus@bejobbed.com>

12:59 PM

Dear Dr. Khan,

Greetings from BeJobbed!

About

ELITE enables B-School graduates across the country to kick-start their career in Sales, Marketing & HR based on their Aspirations and capabilities. Elite also provides selected candidates with pre joining capability building training and post joining mentoring, to improve their productivity and performance.

CTC Offered - 2.5 - 5.00 LPA

Project Details

- Students who are interested for 2 months live project will go through an Online assessment once they clear the assessment they would be eligible for telephonic interaction with the expert. Students would be assigned project once they get shortlisted in expert interaction.
- The live project would be of 2 months after which depending on students performance PPI would be offered
- Students have to devote 25 hours in a week towards the project 4 hours daily, or else working for 3 hours morning or evening for 2-3 days and dedicating more time on Saturday & Sunday. (should complete 25 hours in a week subject to the timing of companies).
- Stipend for 2 months will be paid once the student completes the project successfully. If the student drops out from the process in between the student will not be eligible for the stipend.

- Once students are on board for projects they need to share daily reports for the same.
- For initial days the students would be monitored on their seriousness towards the project and actions would be taken accordingly.
- Virtual session will be conducted once a week, duration 2 hours, followed with 2 assessment test between the 2 month project duration.
- The companies list is already mentioned in the PPT. Final list with all the details will be shared by 25th of Aug.
- **There are no commercials / charges involved in this process.**

Benefits For Students

- 1) Pre-Placement Interview : Right fitment of candidates with organizations ensuring long term career growth.
- 2) Industry and Role Insights with firsthand experience of the market through 2 months live Project and Industry Expert Interaction.
- 3) Selected Students will be offered with Post-joining mentoring.
- 4) Students will get stipend and project completion certificate from bejobbed.
