NATIONAL CONFERENCE ON RECENT TRENDS IN SCIENCE AND TECHNOLOGY (NCRTST-2024)

23rd February, 2024

ORGANIZED BY

DEPARTMENT
OF
INFORMATION TECHNOLOGY

SCHOOL OF INFORMATION SCIENCE
AND TECHNOLOGY (SIST)

**BABASAHEB BHIMRAO AMBEDKAR
UNIVERSITY
(A CENTRAL UNIVERSITY)
VIDYA VIHAR, RAEBARELI ROAD,
LUCKNOW-226025**

ABOUT UNIVERSITY:

Babasaheb Bhimrao Ambedkar University was established in Lucknow in 1996 as Central University with the objects of promoting advance knowledge by instructional and research facilities in science, key and frontier areas of technology and other allied disciplines. This University is the Post-Graduate and research University & main objective of this University is to promote professional studies, Inter-disciplinary studies, and research and development activities. With above objectives, the University has started its academic programmes which have employment potential and relevant for the development of Indian Society. At present, we have eight functional Schools comprising of twenty functional Departments.

ABOUT DEPARTMENT:

Department of Information Technology is one of the active Departments in the School of Information Science & Technology. Department is offering 2 years (4 semester) M. Sc. course in Information Technology, M.Tech. (Software Engineering), M.Sc. (Cyber Security) and Ph.D. Programme.

The department aims to promote modern area of Information Technology to the highest level of Excellence. The Department had conducted multiple **International and National Conferences** and **Workshop** like **NCISC-2014, RMIT-2014, ICET in IT-2015, NCISC-2016, RMIT-2017.**

ABOUT CONFERENCE:

The aim of Conference is to deliberate on Science and Technology for Innovative and Sustainable development and provide a platform for the dialog among the participants on emerging developments in the frontier areas of S&T for sustainability Development in all subject areas. NCRTST-2024 conference is expected to draw the participants both from academia and industry to disseminate latest scientific & technological achievements and exchange ideas. The exploration of collaborations on the basis of recent innovation, practical challenges, encountered and effective solutions adopted in diverse areas of science and technology of all subject areas.

OBJECTIVES:

The objective of the conference is to bring together academic communities, researchers and scientists to exchange information, experiences and research results on all aspects of specialized and interdisciplinary areas. The conference provide an opportunity for everyone to, exchange ideas and present their research to the international community. The conference will give an opportunity to both academicians as well as research scientists to communicate and discuss research problems and their applications for industry sector.
