Dear Colleagues,

Hope you all are doing well in spite of cold bite and Corona related problems. We join our Hon'ble Vice Chancellor to wish you a very safe, comfortable and productive- 2021.

We congratulate you all for successfully managing online classes for the ongoing semesters and the examinations of the last semester started recently. It is always exciting to take the challenges ahead and maintain all the activities in spite of certain seen and unseen problems.

Friends, many of our colleagues will be elevated in their carrier in the early days of 2021 and let us join to congratulate all of them for their academic gains. We are working on assessment of the academic and research gains of the faculty for the previous year to honor, the major achievers on 26th Jan, 2021.

We have started receiving the course folders, road maps and requirements of RPs/GFs in the department, but only 6-7 departments have provided it as yet. Please expedite and send it as soon as possible so that the academic progress of the departments can be assessed by the Hon'ble VC and the AMC.

Let us join and move forward to implement NEP in the coming semesters with its full potentials and earn the new milestones in academic and research outcomes.
