Notice Regarding Second Spot Counselling for PG Courses Against Vacant Seats

Following information is shared for conducting the second round of spot counselling.

1. The Second Spot counselling is to be organised in respective departments itself. Data of applications of second round of spot counselling can be accessed through SAMARTH Portal login of HODs.

2. Even after organising second spot counselling, admission through it should only be offered if any seats are left vacant after exhausting the complete waiting list from first round of spot counselling for admission to PG programmes for session 2026-27.

3. Admission in any programme should strictly adhere to the merit list and preference should be given to CUET applicants over Non-CUET applicants, if they have appeared for relevant subject codes as mentioned under eligibility in seat matrix of various programmes in the PG prospectus for session 2026-27.

   Further, it is the responsibility of Head/Co-Ordinator and concerned DAC to ensure adherence to merit while offering admission to applicants of second round of spot counselling.
