CYBER AWARENESS PROGRAMME

The Department of Computer Science and Engineering is organising a **Cyber Awareness Programme on 23 October 2026 at 02:00 PM in the University Auditorium, BBAU, Lucknow**, with the participation of officials and experts from the Uttar Pradesh Cyber Cell.

The programme aims to create awareness about the latest trends in cyber threats, emerging cybercrime techniques, phishing attacks, online financial frauds, identity theft, data breaches, protection of sensitive information, and other potential cyber threats. Experts from the Uttar Pradesh Cyber Cell will sensitise participants about identifying cyber threats, adopting preventive measures, safeguarding personal and official information, and using digital platforms safely and responsibly.

In view of the increasing dependence on digital platforms for academic, administrative, and personal activities, cyber security awareness is essential for every member of the University fraternity. The programme will help participants understand the risks associated with digital technologies and learn practical measures to prevent cyber frauds and other cyber incidents.

Accordingly, **all Deans, Heads of Departments, Coordinators, Faculty Members (including contractual and guest faculty, retired professors and resource persons) Officers and Sectional In-charges** are requested to kindly attend the programme and actively participate in this important awareness initiative.

Further, all Heads of Departments and Office/Sectional In-charges are also requested to kindly encourage and facilitate the participation of Non-Teaching Staff (Regular/Contractual) working under their respective Department/Office/Sections.

The programme details will be as follows:

Date: 23 October 2026 (Friday)
