Course Title	EARLY CHILDHOOD CARE AND EDUCATION
Course Code	MHD-101
Contact Hours	94
Credit	6(3+3)
Semester Offered	I
Lecture Details	As per Time table
Course Incharge	As per allotment in the respective semester

Outcome of the Course: By studying the course, the students will be able to achieve knowledge about the importance of Early Childhood Education. This course will help students in gaining insight knowledge of principles, objectives and needs of early childhood care and education. It will help in developing the skills and techniques to plan activities in ECCE centres of different types such as day care centre, preschool, crèches etc.

Course Title	ADVANCED STUDY IN HUMAN DEVELOPMENT-I
Course Code	MHD-102
Contact Hours	94
Credit	6(3+3)
Semester Offered	I
Lecture Details	As per Time table
Course Incharge	As per allotment in the respective semester

Outcome of the Course: This course will help the students to understand the different stages of Human Development with special focus on prenatal to adolescence period. They will also understand the principles and factors influencing human development in these stages.

Course Title	RESEARCH METHODOLOGY
Course Code	MHD-103
Contact Hours	64
Credit	4(3+1)
Semester Offered	I
Lecture Details	As per Time Table
Course Incharge	As per allotment in the respective semester

Outcome of the Course: This course will help the students to understand the importance of research in social sciences and it will also help to understand various concepts related to research like research designs, types of variables, sample and sampling designs, hypothesis and methods of data collection etc.

Course Title	HISTORY AND THEORIES OF HUMAN DEVELOPMENT
Course Code	MHD-104
Contact Hours	64
Credit	4(3+1)
Semester Offered	I
Lecture Details	As per Time Table
Course Incharge	As per allotment in the respective semester

Outcome of the Course: This course will help the students to understand different theories related to Human Development and critically evaluate the theories in present context.

2nd SEMESTER

Course Title	AGEING AND MENTAL HEALTH
Course Code	MHD-002
Contact Hours	64
Credit	4 (4+0)
Semester Offered	II
Lecture Details	As per Time Table
Course Incharge	As per allotment in the respective semester

Outcome of the Course: This course will help the students to understand the different aging process and theoretical perspectives of aging. The students will also become aware and sensitized to issues related to care of the elderly

Course Title	ADVANCED STUDY IN HUMAN DEVELOPMENT-II
Course Code	MHD-201
Contact Hours	94

Credit	6(3+3)
Semester Offered	II
Lecture Details	As per Time Table
Course Incharge	As per allotment in the respective semester

Outcome of the Course: This course will help the students to understand different physical, biological and psychological changes occurred in young adulthood to elderly and critically evaluate the theories in present context. The students will also be made aware of different services and programmes for elderly.

Course Title	STATISTICS & COMPUTER APPLICATIONS
Course Code	MHD-202
Contact Hours	94
Credit	6(3+3)
Semester Offered	II
Lecture Details	As per Time Table
Course Incharge	As per allotment in the respective semester

Outcome of the Course: This course will help the students to understand role of statistics and computer applications in research. This will also help students to apply different statistical techniques in their data analysis.

Course Title	METHODS OF STUDYING HUMAN DEVELOPMENT
Course Code	MHD-203
Contact Hours	94
Credit	6(3+3)
Semester Offered	II
Lecture Details	As per Time Table
Course Incharge	As per allotment in the respective semester

Outcome of the Course:

The students will understand different projective and non-projective techniques for studying human development and able to apply the various methods studied in a practical context.

Course Title	COMMUNITY SERVICE
Course Code	MHD-204
Contact Hours	32
Credit	2(0+2)
Semester Offered	II
Lecture Details	As per Time Table
Course Incharge	As per allotment in the respective semester

Outcome of the Course:

The students will understand different societal issues and impart their theoretical knowledge at the grass root level using different modes.

3rd SEMESTER

Course Title	PERSONS WITH DISABILITY
Course Code	MHD-301
Contact Hours	94
Credit	6 (3+3)
Semester Offered	III
Lecture Details	As per Time Table
Course Incharge	As per allotment in the respective semester

Outcome of the Course: This course will help the students to sensitize towards various impairments and the manner in which these affect the lives of individuals. It will also help in identifying the physical and social barriers which create difficulties for people with disabilities.

Course Title	SCIENTIFIC WRITING
Course Code	MHD-302
Contact Hours	94
Credit	6(3+3)
Semester Offered	III
Lecture Details	As per Time Table
Course Incharge	As per allotment in the respective semester

Outcome of the Course: This course will help the students to understand importance of scientific writing and will help in developing scientifically competence in writing and abstracting skills.

Course Title	CHILD AND HUMAN RIGHTS
Course Code	MHD-303
Contact Hours	32
Credit	2(0+2)
Semester Offered	III
Lecture Details	As per Time Table
Course Incharge	As per allotment in the respective semester

Outcome of the Course: The students will develop awareness and perspective of Human Right as a professionals in the field of Human Development and to develop sensitivity to Human Right with specific reference to children's rights.

Course Title	INTERSHIP
Course Code	MHD-304
Contact Hours	94
Credit	6(0+6)
Semester Offered	III
Lecture Details	As per Time Table
Course Incharge	As per allotment in the respective semester

Outcome of the Course: This course will help the students to understand importance of scientific writing and will help in developing scientifically competence in writing and abstracting skills

Course Title	DISSERTATION
Course Code	MHD-305
Contact Hours	94
Credit	6(0+6)
Semester Offered	III
Lecture Details	As per Time Table
Course Incharge	As per allotment in the respective semester

Outcome of the Course: The students will learn to select a research problem, review literature and prepare a synopsis.

4th SEMESTER

Course Title	STUDY OF FAMILY IN SOCIETY
Course Code	MHD-401
Contact Hours	94
Credit	6(3+3)
Semester Offered	IV
Lecture Details	As per Time Table
Course Incharge	As per allotment in the respective semester

Outcome of the Course: This course will help the students to understand family as a component of social-cultural milieu and context and familiarize them with developmental perspective in family life cycle. It will also help them to understand contemporary issues and concerns.

Course Title	PRINCIPLES OF GUIDANCE AND COUNSELLING
Course Code	MHD-402
Contact Hours	94
Credit	6 (3+3)
Semester Offered	IV
Lecture Details	As per Time Table
Course Incharge	As per allotment in the respective semester

Outcome of the Course: This course will help the students to introduce basic concepts in guidance, counseling and therapy and to understand the need for guidance and counseling in human development

Course Title	DISSERTATION
Course Code	MHD-403
Contact Hours	192
Credit	12 (0+12)
Semester Offered	IV
Lecture Details	As per Time Table
Course Incharge	As per allotment in the respective semester

As per the resolution passed in the BPGS and School Board, it was resolved that all the M Sc. students have to prepare a dissertation and publish two research papers from their own dissertation work. In the IV Semester they have to complete their research work as mentioned in the synopsis and also publish their two research paper. The marking will be in grades and the dissertation has to be evaluated by external expert as well as internal supervisor. The marking will be 50 percent for external and 50 percent for internal.
