Brief Report of UIET Alumni Meet 2021, Babasaheb Bhimrao Ambedkar University.

The University Institute of Engineering & Technology has organized online alumni meet on 23 March 2021 under the joint guidance of the Alumni Association and Alumni Cell of Babasaheb Bhimrao Ambedkar University, Lucknow. The program was chaired by Prof. R.A. Khan, Director UIET, and Dr. Dharendra Pandey, Deputy Director UIET. Prof. Shilpi Verma, President of, BBAU Alumni Association, Dr. Alka, Assistant Director UIET, and Dr. Jiwan Singh, CE Coordinator have encouraged students for their role in the enhancement and strengthening of the UIET department. On this occasion, a large number of alumni of UIET have joined the program through Google Meet and shared their views about how to enhance the technical skills of the students who are studying in the various departments. All alumni

enthusiastically participated in this online program. Apart from suggestions/views shared by the Alumni during the event, their suggestions are welcomed through email on Email-ID BBAU Alumni Cell; alumnicellbbau@gmail.com to further strengthen the Alumni relations and in brand building of the Institutions. The event was covered by the print media. Abstract of the views expressed by some of the alumni are given below:

Mr. Shadab Khan, at present Site Engineer, has suggested about the latest opportunities in the field of construction and road safety is an emerging area for the students of Civil Engineering. He talked about his experiences of grabbing his first on role job in the company. Apart from that he also suggested some PG diploma courses for enhancing the employability of CE engineering students.

Mr. Akhil Kumar Srivastava, at present Senior Executive Operations, Stag Energy Services has shared his journey of employability in the field of the power plant sector. He suggested various sources of the training program for the power sector for our Mechanical Engineering Students. He also shared current global trends of energy consumptions and its marketing strategies.

Mr. Shaksham Sharma, at present Assistant System Engineer, TCS has informed about new placement opportunities for students of Electrical Engineering in their TCS company. He also shared views about how to electrical engineering students can improve their profile for new opportunities in the field of electrical consultant.

Ms. Ashika Kant, at present System Engineer, has shared their views about entrepreneurship for students of Computer Science. She spoke about the new software development program and its application segment in various technologies. She also suggested some software development training programs for our studying students.

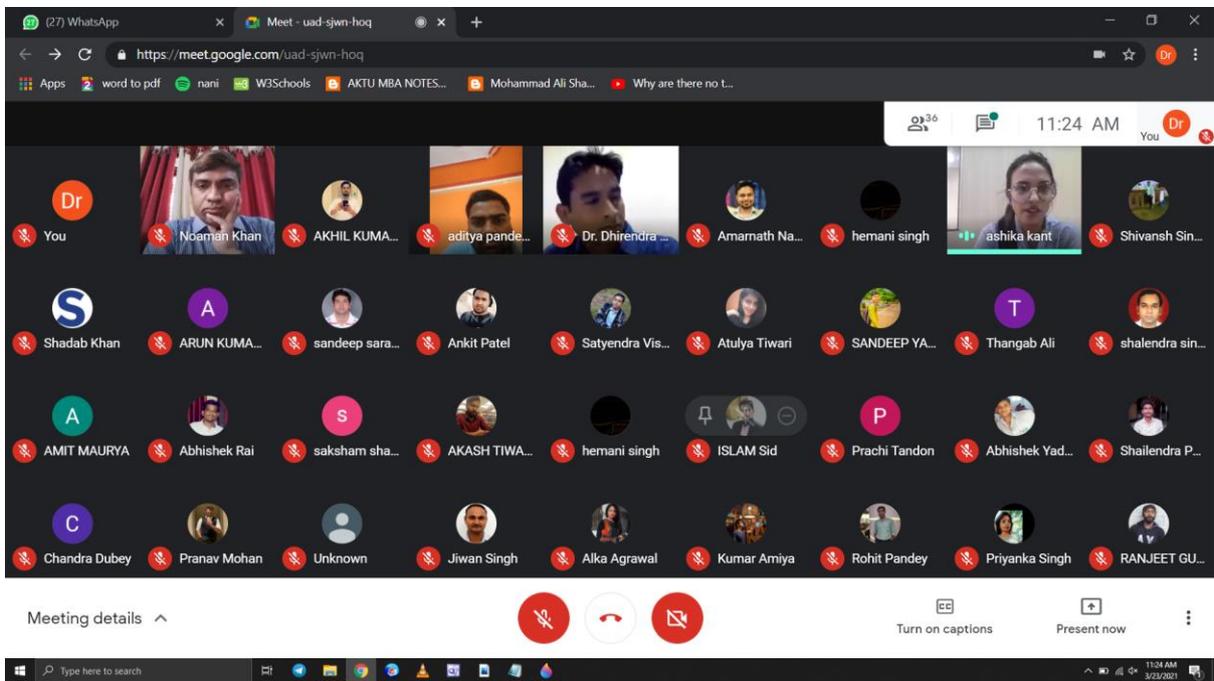

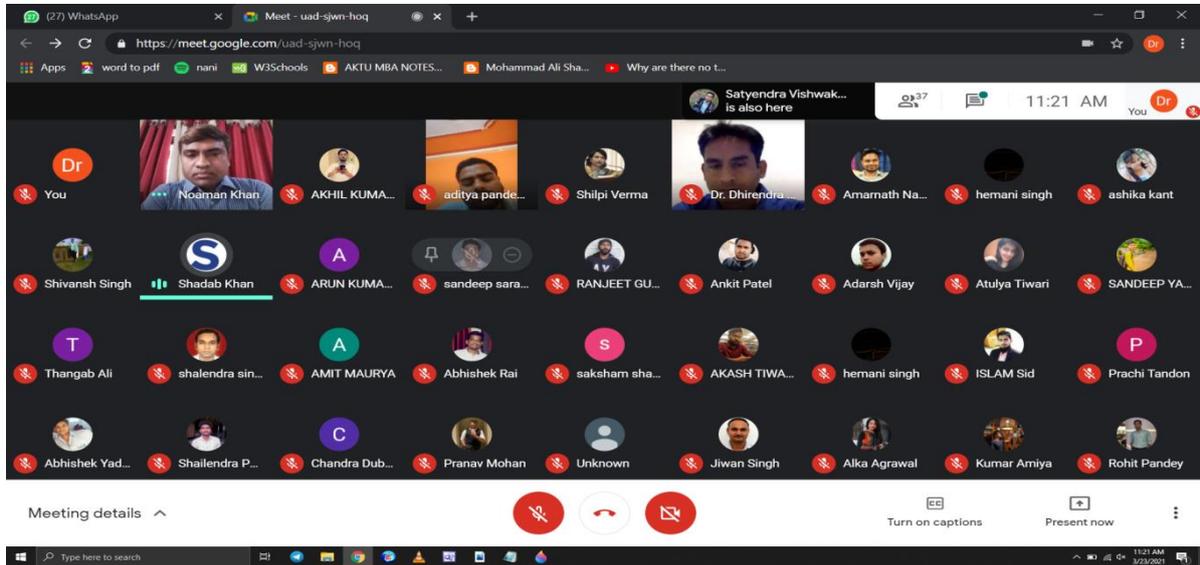

Ms. Atuly Tiwari, at present System Engineer, TCS has told us about new programming languages for circuit design for employability in TCS company of Electronics Engineering students. She also shares about new emerging fields of Telecommunication and some useful training modules for that.

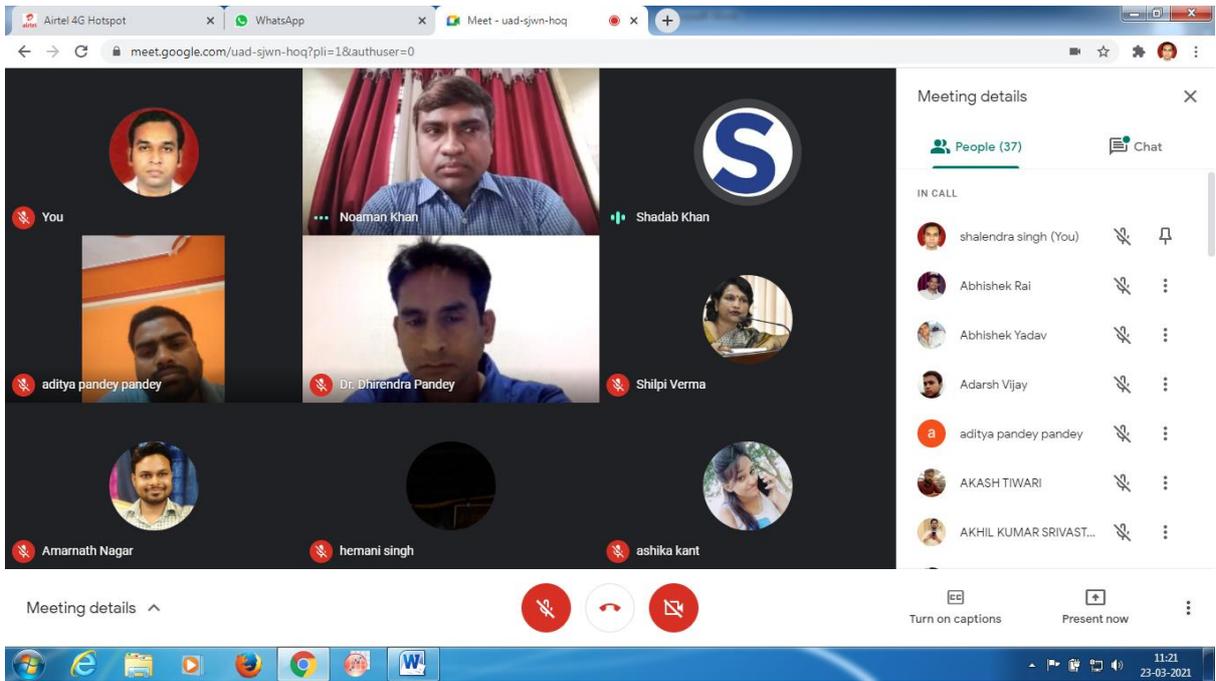

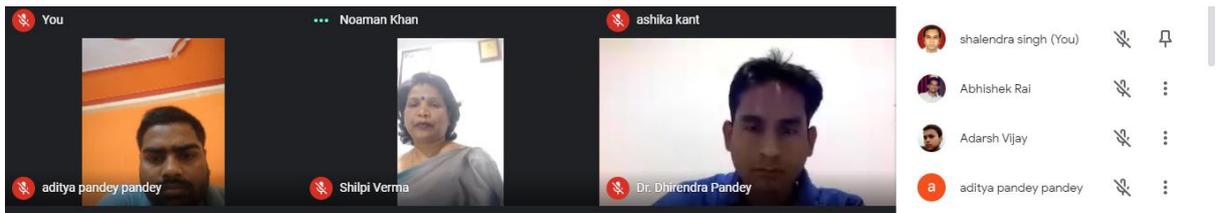

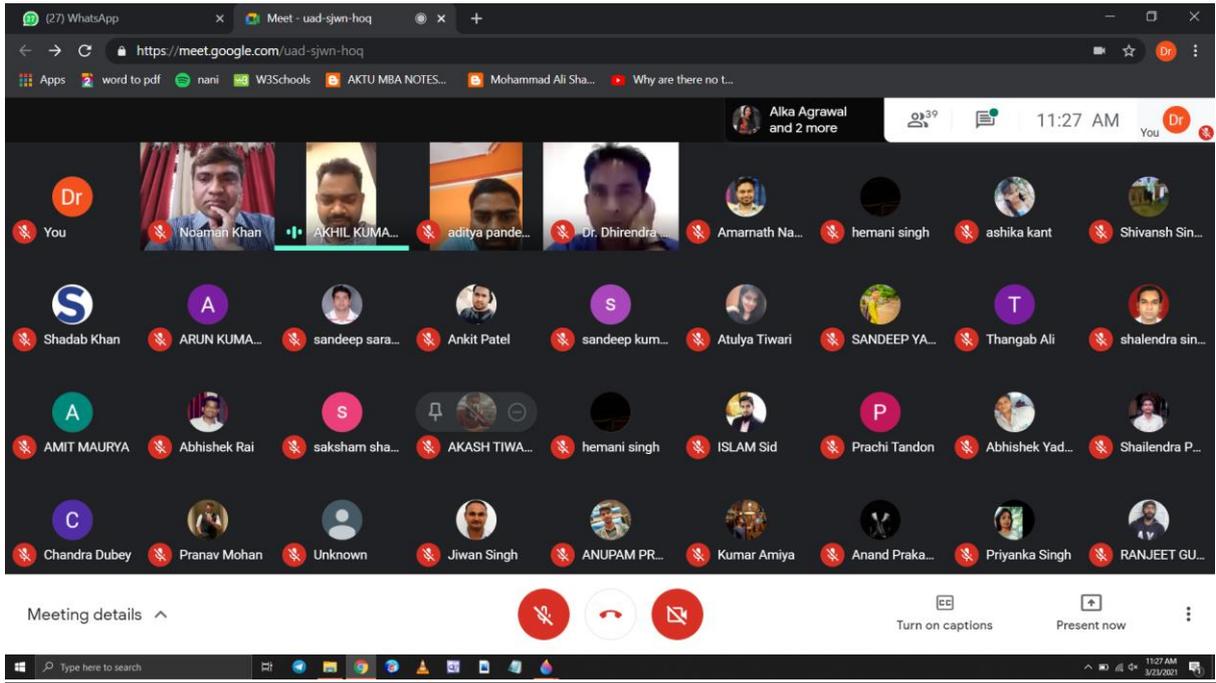

Director UIET Professor R.A. Khan and Deputy Director Dr. Dharendra Pandey were present throughout the program and personally talked with every alumnus who spoke on the occasion and also gave his response about their opinion and suggestions. They detailed various academic activities which were started on the behalf of the university administration to improve the environment of education in the UIET. They welcomed all the suggestions given by various alumni and also informed them that a separate placement cell had already been established for the UIET. They also informed about various MoUs, like IIT Bhu, which were signed with different academic and research Institutes, and said that the UIET placement cell was striving for training and placement of students.

President of BBAU Alumni Association Prof. Shilpi Verma, Assistant Director UIET Dr. Alka, and CE Coordinator Dr. Jiwan Singh said that our alumni are brand ambassadors of the University. They said that the image of the university is made inside the country and abroad only based on what the students did and achieve. They also said that the image of the university is created largely based on the performance of the students. They gave a detailed description of various facilities which were being provided to the students. At the end of the program, Dr. Alka Assistant Director UIET gave the vote of thanks to the participants of the program. On this occasion, members of the Alumni Cell along with other teachers and a large number of alumni were also present.
