ABOUT DEPARTMENT

The Department has started M. Sc. (Information Science) with 20 seats in 1997 and it was notified as Department of Library and Information Science in 1998 under the School for Information Science and Technology. In 2002, this degree changed as Master of Library and Information Science Two years integrated Course. Ph.D. Program started in the year 2003 and M.Phil in 2013. At present department offers BLISc, MLISc, MPhil and Ph.D. programmes. Its mission is to achieve academic excellence and gain national as well as international recognition in education and research.

AIMS & VISION

Aims is to provide up-to-date LIS education to the students through effective teaching and practical training. Vision is to educate students for diversified career such as Librarians, Archivists, Information Scientist and Knowledge Managers, etc. and to train them for research and service oriented skills to handle emerging technological developments in the field as per industry requirements.
