MD-Multidisciplinary

ID- Interdisciplinary

**# Students who exit after UG certificate or UG diploma are permitted to re-enter within 03 years and complete the degree programe, however the total duration for completing the programme shall not exceed 07 years.**

- **Major discipline** is the discipline or subject of main focus and the degree will be awarded in that discipline. Students should secure the prescribed number of credits (about 50% of total credits) through core courses in the major discipline.
- **Minor discipline** is a discipline which helps a student to gain a broader understanding beyond the major discipline. For example, if a student pursuing an Economics major obtains a minimum of 12 credits from a bunch of courses in Statistics, then the student will be awarded B.A. degree in Economics with a Minor in Statistics.
- **3-year UG Degree:** Students who wish to undergo a 3-year UG programme will be awarded UG Degree in the Major discipline after successful completion of three years, securing 120 credits and satisfying the minimum credits requirement.
- **4-year UG Degree (Honours):** A four-year UG Honours degree in the major discipline will be awarded to those who complete a four-year degree programme with 160 credits and have satisfied the credits requirements.
- **4-year UG Degree (Honours with Research):** Students who secure 75% marks and above in the first six semesters and wish to undertake research at the undergraduate level can choose a research stream in the fourth year. They should do a research project or dissertation under the guidance of a faculty member of the University. The research project/dissertation will be in the major

discipline. The students who secure 160 credits, including 12 credits from a research project/dissertation, are awarded UG Degree (Honours with Research).

**This scheme is indicative and expresses the minimum requirement. The subjects can have variable credits over and above the minimum requirements.**

1. **Ability Enhancement Courses (AEC)** (e.g. Language, Modern Indian Languages (MIL) & English Language focused on language and communication skills etc.)
2. **Skill Enhancement Courses (SEC)** - Relevant courses for hands-on competencies are to be offered by respective departments. Skill mapping is to be done to identify required skills aligned with the National Skill Qualification Framework (NSQF) and integrating vocational education with the general stream.
3. **Vocational Courses/ Internship/Project/Apprenticeship** -In relevant area for each course, students will undergo training in a firm, industry or organization or training in lab etc. during the summer term with a focus on employability or start-ups
4. **Swayam/MOOCs Courses**- These can be opted as regular courses, CBCS courses, and as 'over and above courses'(to opt for extra credits in the case of fast learners) and upto 40% courses can be covered through MOOCs. **MOOCs courses are not to be offered in the final semester, due to the requirement of early result declaration.**
5. **Community Engagement**-It should be an integral part of all the programmes. There is a Vidyanjali portal where students or faculty can register as volunteers. This has to be an essential component of every syllabus, enforcing it in the best possible way, to give back to society as an audit or credits course.
6. **CBCS Courses (Multi/Interdisciplinary)**- These are compulsory for all students in the first two semesters of the program and are to be opted from other than their parent department.
7. **Value Added Courses- Value Added Courses (VAC) Common to All UG Students (6 credits)**
  - **For -I Semester ( Any one among those offered by the University from the following list)**
