ABOUT THE UNIVERSITY

The Babasaheb Bhimrao Ambedkar University (BBAU) was established by an Act passed by the parliament in 1994 and the University came into existence in 1996. The basic philosophy and policies of the University are spelt out and enshrined in the University Act and Statutes. The University offers graduate, post-graduate and doctoral programs to the students and professionals, and the values and sensitivity necessary to serve the society. The University distinguishes itself as a socially responsible learning community of high quality scholarship and academic rigor sustained by social justice and equity principles for which Babasaheb Bhimrao Ambedkar worked during his lifetime. The University draws from the cultural, intellectual and economic resources of Uttar Pradesh and other states to enrich and strengthen its educational programs. It offers the kind of education needed through various inclusive, society-oriented programs for transforming our country in the disciplines of – Humanities and Sciences, Engineering, Agriculture, Biotechnology, Business, Law, Education and Environmental Sciences – through a breadth of highly regarded degree programs that allow students the freedom to explore their intellectual and personal growth. The faculty members at our University accept their responsibilities conscientiously, share leadership in a democratic spirit, and are subject to the highest standards of public trust. The University campus is neat and clean, green campus equipped with library, hostels with all facilities, health center etc.

Message from Vice-Chancellor

BBAU, Lucknow has become a leading educational institution having different aspects of teaching and research in various departments including, Ph.D. programmes. We attract the brightest young minds from all over the world for supporting and innovative research space provided by BBAU to actualize their potential. Built on a sprawling 250 acres of lush green campus, this 'temple of learning' has excellent state-of-the-art infrastructure facilities conducive to higher teaching-learning environment and research. The main objective of the University is to provide higher education of global standards and hence, all the curricular programs are designed to meet international standards. Highly experienced and qualified faculty members, are continuously engaged in the maintenance and enhancement of a student-centric learning environment through innovative pedagogy, which forms the backbone of the University. I, therefore, call all the budding students to come and be the part of academic ventures of the University and become scientist, academician and renowned researcher of tomorrow.

Prof. Raj Kumar Mittal
Vice Chancellor

Message from Dean Academic Affairs

It gives me an immense pleasure to introduce the Babasaheb Bhimrao Ambedkar University, Lucknow as a NAAC Accredited "A++" Grade, Central Government University with its Main Campus located at Lucknow, the capital of Uttar Pradesh. Apart from its main campus, the University has offsite campus at Amethi district of Uttar Pradesh. Underthe overall direction of the Vice-Chancellor, the office of the DAA is the nerve centre for all matters concerning academic environment and activity on the campus. This office looks after the working of various teaching departments. All research projects and research activities are coordinated through this office.

Therefore, DAA office gets invested with in epicentric responsibilities in catering to the growth of academics in the University. The University has over 8000 students and more than 300 faculty members teaching different courses under the credit based continuous evaluation and grading system. The faculty of Babasaheb Bhimrao Ambedkar University have achieved visibility at national as well as international level, which is attested by the number of awards and distinctions they have receivedin their respective disciplines. Excellent placement record, availability of state-of-the-art facilities and teaching aids, this University offers immense opportunities to the perspective students. I am sure, under the leadership of the incumbent Vice-Chancellor, the University is well poised to makeits mark internationally also.

Library Facility

The University has a state-of-the-art Gautam Buddha Central Library that remains open on each working day from 8:00 AM to 08:00 PM. The Library is centrally located in the University in a newly constructed four storied futuristic building and provides web-based information services to the library users. It has a huge collection of books, e-resources, databases, remote access facility and also a Wi-Fi enabled access to the Internet. It is a fully functional automated library with RFID self-check-out and self-check-in facilities. Library has seating capacity of more than 500 users in its centrally air-conditioned reading halls.

Hostels

Our university offers well-furnished hostels designed to provide international students with a comfortable, safe, and inclusive living environment. Each room is well-ventilated and filled with natural sunlight, creating a pleasant space for rest and study. The hostels serve as a vibrant melting pot of cultures, where students from across the globe live together, fostering mutual cooperation, understanding, and lifelong friendships. We ensure that students have ample time and the right environment to focus on their academic pursuits and research. The campus climate also supports a variety of co-curricular and extracurricular activities, contributing to students' overall growth. Our goal is to cultivate a spirit of community living and social responsibility—transcending barriers of caste, religion, nationality, or gender—in a space that feels like home away from home.

Health Centre

The University is equipped with a well-established Health Centre located right on campus, ensuring accessible and quality healthcare for the entire university community. We provide round-the-clock basic medical services to all national and international students, faculty members, administrative and non-teaching staff, and their dependents. Health services are delivered by our dedicated and highly qualified medical team, led by Senior Doctor Dr. Vikas Srivastava, along with Dr. Harishata Singh. They are committed to ensuring the well-being of everyone on campus. To further promote positive health and holistic well-being, the Health Centre also houses a Yoga Wellness and Naturopathy Clinic. These services support students and staff in managing stress, enhancing fitness, and cultivating a healthy lifestyle. Your health and wellness are our top priorities, allowing you to thrive both academically and personally.

Connectivity-Air/Train/Bus

Lucknow is exceptionally well connected, both nationally and internationally, making travel to and from the city convenient for students, staff, and visitors. The Chaudhary Charan Singh International Airport in Lucknow receives direct international flights from several countries, offering global access with ease. The city is also efficiently linked to New Delhi—India's national capital—located approximately 500 km away, through air, rail, and road networks.

Key Distances from the University:-

Airport (Chaudhary Charan Singh International Airport): 7 km

Charbagh Railway Station: 12 km

Alambagh Bus Station: 11 km

For added convenience, 24x7 cab and taxi services are readily available at all key transit points, ensuring smooth and hassle-free transportation at any time
