Dear Colleagues,

I hope you are doing well with health concerns and academic growth during this lockdown period in addition to managing on-line leaching learning.

The University is working on a calendar to go with reopening , examinations and ET-20 etc and we shall share with you soon for your valuable input and planning for executions.

I would like to underline that now the scholars admitted under the new Ph.D. regulation -2019 are required to be alotted a RAC in addition to Supervisor by DRC as per the statutory requirements.This is a new requirement hence ,it is thought to get communicated.
