Report of the feedback committee discussed & analysed, by Steering Committee Feedback from various stakeholders namely, alumni, parents, employers and students have been a regular feature of Babasaheb Bhimrao Ambedkar University. Feedback is obtained on various parameters pertinent to all the seven criteria of NAAC. A thorough analysis is done and necessary actions are executed by the concerned authorities. Relevant suggestions by the stakeholders are tabulated and thoroughly analysed before sending for its execution. Latest analysis of the feedback obtained from various stakeholders in the year 2022 reveals that Most of the alumni believed that programmes and courses are relevant and useful for employment however, some of them emphasised on improving infrastructure and upgradation in the cognitive domain. Parents opined that library facilities, internet, computer are excellent but more employability and career-oriented courses be made available to the students. Analysis of feedback of employers presents a very positive image of the university that includes effective curriculum transaction, good communicative skills of students and their leadership quality. Students feedback are crucial to the university system and majority our students seem to be satisfied by curriculum, infrastructure, laboratories, library, evaluation pattern, assignments, employability courses and value-added courses, seminars, presentations, mentor-mentee relationship, remedial classes for slow learners and system support however, some of them pointed out the language problem.

An in-depth analysis of feedback received in 2022 from all the stakeholders was done by the IQAC and the following outcomes are noticed.

1. Regular academic and administrative audit should be done.

2. Collaborative work with academic bodies and research institutions
3. Priority on industry collaboration should be given.
4. Emphasis to get involved in more consultancy is required.
5. Implementation of NEP, 2020 is to be expedited.
6. Introduction of more career-oriented programmes are required.
7. Addition of more value-added courses are to be opted
8. Initiatives for community outreach can be enhanced.
9. Special efforts for improving language and communication is to be made.

The meeting ended with a vote of Thanks to the Chair.
